Awards for Avanco Executives

Avanco is pleased to announce that Tony Polglase, Managing Director, and Luis Azevedo, Executive Director Legal, have been awarded prizes at the Brasil Mineral Personalities of the Year Awards.

Brasil Mineral is one of the leading forums in Brazil for the metals and mining industry. Tony Polglase won the "Non-Ferrous Metals Prize" for the development of the Antas Mine, and Luis Azevedo the "Mineral Exploration Prize" for his involvement in Avanco's growing Carajás copper portfolio and CentroGold Project on the Gurupi Greenstone Belt and work improving Brazilian mining legislation."

Tony Polglase Accepting Award

Avanco Team* at the Awards Ceremony

Commenting on the awards, Tony Polglase said: *"We are delighted to receive these awards and see that Avanco is recognised both on exploration and production fronts. These awards are for all the Avanco team because they reflect the hard work and effort of so many people. I also thank all the shareholders and stakeholders that voted for Avanco. A team effort all round."*

* Left to Right:

Jailson Araujo, CentroGold Project General Manager; Luiz Ferraz, Non-Executive Director; Tony Polglase, Managing Director; Luis Azevedo, Executive Director Legal; Wayne Phillips, Head of Projects; Otávio Monteiro, Antas General Manager.
